Last month I spent my holiday at my uncle's house. My uncle is a farmer. He goes to field every morning and afternoon. He also looks after cattle behind his house.

I preferred staying at his house during the holiday because my parents were always busy with their work. I was lonely at home. I went to my uncle's house on the first day of holiday.

There I woke up early and helped my cousin feed the cows and chickens. After that, I joined my uncle's family at the field. We harvested chilies. I helped them pick the chilies and choose the good ones. Then, my aunt and I went to the market to sell them. My aunt bought food and other supplies. They were so delicious.
