TASK: **7 of 8**

- Впиши в пропуски одно подходящее по смыслу слово:

We live in remarkable times. All around us, ……(1) is a heightened emphasis on culture, which is accompanied by a corresponding interplay of forces that both encourage and discourage understanding ……(2) people. Consider the enormous changes that have recently occurred in the coalitions and alliances of vastly different cultural groups: the formation of the European Economic Community, the reunification of Germany, the creation of ZOPHEAN and the reduction of trade barriers between many nations. …… (3) changes are only a few of the many we could name, and …… (4) redirect our attention to the problems of communication of people from different countries.
