Reading and comprehension

Passage:

Sam and his dog Max went for a walk in the park. Sam loved to play with Max. Max was a big, fluffy dog with floppy ears and a wagging tail. As they walked, Sam threw a ball, and Max chased after it. Max was very good at catching the ball. Sam laughed as Max brought the ball back to him.

Suddenly, Max stopped and sniffed the air. He had found something interesting! It was a squirrel hiding in a tree. Max barked excitedly, but the squirrel quickly climbed higher. Max wagged his tail, feeling proud of himself for finding the squirrel.

After playing for a while longer, Sam and Max headed home. They were tired but happy. Sam knew that Max would sleep well tonight after their fun day at the park.
