Making a Difference with Soap

More Text

To help solve this problem Dan started his project. The company that developed this small project is now called " Clean the World." It recycles soap that it collects from more than 4,000 hotels. It has factories in Las Vegas, Orlando and Hong Kong. These are cities with many hotels where thousands of bars of used soap can be easily collected every day.

Making a Difference with Soap

Open Question

Why is Las Vegas a good place for the company's factory?

_____

Making a Difference with Soap

More Reading

The soap is recycled through a simple process. First it is put into machines that cut it up and remove the bacteria. It is then made into new bars of soap. The company has donated 25 million bars of recycled soap to over a hundred companies. It also sends its own teams into rural communities to teach people the importance of washing their hands.

Making a Difference with Soap

Multiple Choice Question
