**Present Simple, affirmative**

We use the present simple to talk about activities in a routine. Sometimes we use a time expression to say when or how often something happens.

***I walk*** *my dog every day.* ***We go*** *to school from Mondays to Fridays.*
*On Saturdays,* ***you wash*** *the car.* ***They swim*** *in the afternoons.*

For the third person singular, we add *s* or *es* to the end of the verb.

***She feeds*** *the birds on sunny days.* ***He brushes*** *the horse every morning.*
