RYAN New Zealand

1 .....

My parents' friend Brad has a small restaurant in Auckland and he loves cooking. I sometimes go to visit him with my parents at weekends. When we go to his house, we walk around town during the day. Then, we love watching shows and competitions about cooking in the evening.

Brad's favourite show is **MasterChef** because it gives him ideas for his restaurant. I prefer **The Great British Bake Off** because I love cooking and eating cakes and sweets!

I love going on nature walks with my family and watching wildlife.
In the evenings when it's too cold or too rainy to do things outside, my family and I like watching programmes about science or animals at home.
My older brother loves scuba diving so his favourite programme is **The Blue Planet**. Mum and I love watching **Elephant Diaries**. This TV show helps baby elephants return to their natural habitat.

3 .....

I have to do my homework first before I watch TV, but one programme my parents never miss is Britain's Got Talent. They love it when there are people on the show doing gymnastics or acrobatics.
I love music, singing and dancing.
I get bored watching Britain's Got Talent because a lot of people on the programme do other things. I'm a good singer, so I prefer watching The Voice in my free time.
