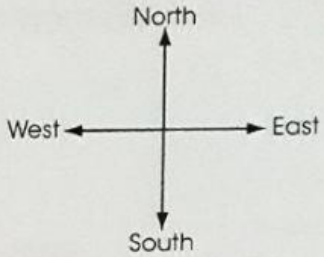
Name: _____ Grade: _____

This picture shows the four main directions.
These are called **cardinal points**.



Now look at this map.
Using the chart above, can you work out the direction of one place from another?

Copy these sentences. Thinking in terms of directions and cardinal points, fill in the gaps.

1. Cat Island is _____ of Long Island.

2. Long Island is _____ of Cat Island.

3. Rum Cay is _____ of Long Island.

4. Samana Cay is _____ of Long Island.

5. Great Exuma Island is west of _____.
