Rhetorical Devices Practice : Grade 8 English

Directions: Write the correct rhetorical device in front of each definition.

Rhetorical Device	Definition
	Talking directly to the reader, often using the pronoun **"you"**
	A question that **has such an obvious answer** that it requires no reply
	A **comparison between two things that are similar** in some ways but **are otherwise dissimilar.**
	Placing **two contrasting** ideas or examples near each other **to highlight the difference between them**
