Read

A **Read the article. What do the people of Harbin do?**

_____

B **Read the article again. What are the facts in the article? Remember, you can check a fact to see that it's true.**

Harbin Ice and Snow Festival

Harbin is a town in northeast China. In winter, it is very cold. The average temperature in January is about -18°C. Some people call Harbin the "Ice City."

During the Qing Dynasty, the people in Harbin made ice lanterns. The ice lanterns were very beautiful.

Think Underline two facts in this paragraph.

Think Is the last sentence a fact?

Years later, the people of Harbin decided to have an ice and snow **festival**. Artists from all over the world go to Harbin to make the sculptures. First, the artists collect piles of ice from the countryside. Then they carve the ice into buildings, gardens, flowers, dragons, and other things.

There are a lot of exciting activities during the festival. There are **team** competitions in ice hockey and winter swimming. There are also skiing **races**. If you are interested, you can see people doing **folk dances** and singing folk songs. There are even **weddings** on the ice.

There is something for everyone at the festival. There are trade **fairs** for buying and selling things. People from all over the world can visit the ice sculptures, enjoy the fun activities, and learn about products made in Harbin.
