The morning rap,
We do it every day.
The same routine,
Now listen and say.

It's seven o'clock,
Wake up, wake up!
You must get up
And have a wash.

Come on, come on,
It's time to go.
Get dressed, get dressed!
Put on your clothes.

Run to the kitchen,
Sit on a chair.
Eat your breakfast,
Comb your hair.

The morning rap...

Clean your teeth.
No time to lose.
Get your bag,
Put on your shoes.

Goodbye to Mum,
Goodbye to Dad.
My friends are at school,
So I'm not sad.

The morning rap.
The morning rap.

10 Listen and sing.

11 Tell your friend about your day.

I wake up at seven o'clock.
I get dressed after I get up ...
