You are going to read an article about fairy tales. Some words are missing from the text.

- Your task is to write the missing words in the yellow boxes.
- Use only one word in each gap.
- There is an example *(0)* at the beginning.

FAIRY TALES – SCARY TALES

Many generations are familiar with the characters from *Cinderella* or *Beauty and the Beast* thanks ***(0)*** to Disney's hit adaptations of the original fairy tales.

Pictures of big-eyed beautiful females and charming males are among the first details a lot **(1)** _____ viewers mention when asked about the movies. But **(2)** _____ truth is that the Disneyfied tales are often very different from the original story.

While we often associate fairy tales with children's bedtime stories, their original purpose was **(3)** _____ else. The original tales suggested the idea that people **(4)** _____ do morally wrong things will **(5)** _____ punished. Some fairy tales started out as oral stories, passed down from generation to generation, as a warning to little children (and adults) **(6)** _____ be good. The most famous versions of these tales **(7)** _____ written down by the Grimm brothers and Hans Christian Andersen.

While some level of morality still exists in the Disney tales and stories, most of their original, darker details and endings **(8)** _____ been removed. Did you know that in the Grimm brothers' version of Cinderella there is enough blood for a modern thriller?
