HEARD HEAVY METAL | LOST HIS MUSIC | BEEN TO AN INTERNET CAFÉ

Hi everyone and welcome to my blog! I'm Felipe Costa. I'm with my best friend, Luis, in the USA – we're on tour with the Brazilian Folk Band! We are singers in the band and Luis plays the drums too. Other people in the band play guitars and xylophones.

**30 January**

We've arrived in Washington and it's snowing. I've never seen snow before! It's beautiful.

**2 February**

Disaster! I can't find my music. I've never lost it before! I've looked in my room and in my bag, but it isn't there. We've got a concert in two hours!

**4 February**

It was OK in the end! We found the music in Luis's bag. The concert was fantastic – people danced! This afternoon, we went to a football game. We've never seen American football before. I've bought a Redskins T-shirt.

**7 February**

We're in an Internet café. They're playing *Linkin Park* on the radio. I love heavy metal and I've heard this song before – it's really good! We've got our last concert this evening. I'm feeling nervous!
