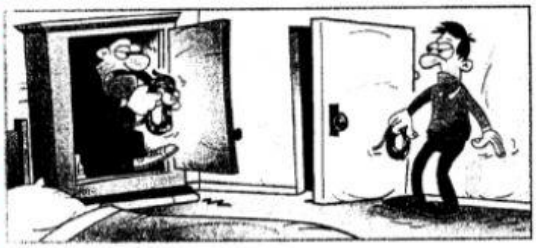
Topic: He was driving when...
Past continuous and simple past with while and when

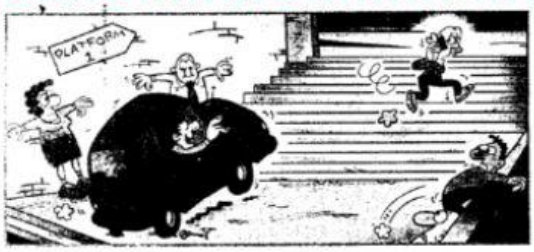
1 Look at the pictures. What is happening in them?

Crazy crimes



1 _____

A man named Herman decided to kidnap a rich businessman. He broke into the businessman's house, went into the bedroom, and waited. Herman was waiting, another man, Vincent, jumped out of the dresser and kidnapped Herman. Vincent was a kidnapper, too. He thought Herman was the businessman. Vincent locked Herman in the house for two days. Finally, Vincent realized his mistake.



2 _____

A man named Michael Todd was driving past a railway station when he saw a beautiful woman. While she was buying a ticket, he [illegible] hello. She didn't reply, so he followed her into the station—in his car. He drove through the station entrance, past the ticket office, and up the steps. Then he drove along the platform and stopped next to the woman. He was still [illegible] in his car when police arrested him.

2 Read along. Write and search in your dictionary. Then choose the best tittle for each story. Write it above the story

a) Dangerous Driver

b) Great Minds Think Alike
