SMP Merdeka's School Parade

On August 17th , SMP Merdeka held a school parade to celebrate Independence Day. All students joined the event and so did Galang and his friends. They dressed up like the Indonesian freedom fighters during the Independence war. Some of them brought guns, spiked bamboos, swords, and many more. They also wore many red and white attributes making the event more patriotic.

In the beginning, as instructed, all participants lined up and started to march. Then, they marched along the decided route passing some villages near SMP Merdeka. The villagers were very excited to watch the parade past their houses. Many of them stood along the street welcoming and cheering the parade.

Not so long after, the parade reached the rest post. It was the place for participants to draw a door prize coupon and have some drinks. After drawing a coupon, they continued to parade to their school as the final destination.

My Name is Monita. Today, my school held an Independence Day celebration event. It welcomed students from every grade to participate in many fun games, such as tug of war, krupuk race, sack race, tandem race, and the marble in spoon race. Many students participated, which made all the games so exciting.

In the beginning, I participated in the marble-in-spoon race. It was a very tight game between me and Galang. I almost beat him at the beginning of the race, but he was so fast and steady. He could even run with it. He came first and I came second. It was hard to beat Galang in this game.

The next game was a tug of war, sack race, and tandem race. All the games were held at the same time. I saw Andre participate in the sack race. At first, he led the race, but suddenly he fell in the middle of the race. But finally, he came second. It was so sad that he couldn't finish first. Meanwhile, Pipit participated in a tandem race with our friends. Her team came third. It was not too bad.

The last game was the krupuk race. Once again I met Galang in the final. The fun part was I finished first and he finished after me. I finished my krupuk with three or four bites.

It was a joyful day at my school. Everyone put a smile on their faces. I was delighted. At the end of the event, my class was announced as the grand champion of the whole competition.
