EVERYBODY HAVE TO KNOW MY FAVORITE FOOD.

Once upon a time, a little girl who wanted that everybody knew her favourite food. This little girl was called Amelia. So, the next morning she went to the Central Park of the town because she knew that everybody went there for fun. Then, she was waiting for the best moment to share her favourite food, but the weather changed and started to rain, so everybody went to their homes. The girl was sad, so her mom said to her: "**Darling** write it in a piece of paper, I am going to help you" The girl thought that is impossible, but she did it. The little girl wrote: "Hey, I am Amelia. I am 10 years old, and I would like to **share** my favourite food. I am going to start with my favourite **dessert**, that is ice cream with some chocolate. My favourite junk food is the hamburger, but I cannot eat it anymore because I am allergic to the bread and I do not know why. If somebody could help me, I would be so grateful" Later, the mother wrote on a website to help her daughter. Five days later, a man wrote her back and said that maybe Amelia's problem is that she is allergic to gluten. They both try not to eat gluten, and it works. In the end, they were very happy, and Amelia can eat a hamburger again.
