After breakfast I meet my friends and play volleyball. I am in the school volleyball team. I return home at about 3 p.m. My parents and I go to the theatre or shopping. When we get back home, I help my mother for dinner in the kitchen. After dinner, I listen to music, watch TV or go online in my room.It's the best part of the day. I often read a magazine before I sleep.I never study at weekends because I finish all my homework on Friday evening.
