There's a museum trip tomorrow
To learn our history,
But now I'm thinking about the things
My teacher said to me.

I mustn't touch the arrows.
I mustn't touch the bows.
I mustn't touch the swords.
There are so many things
to know!

I must listen quietly
To what my teachers say.
I must write 500 words
About the school trip day.

I mustn't take photos.
I mustn't shout or run.
I mustn't use my mobile phone.
I hope it will be fun!

There's a museum trip tomorrow.
It's going to be fun.
I'm going to be a good girl.
We're going to have fun! [x2]
