Monday | Tuesday | Friday | Thursday | Wednesday | Saturday

Days of the week:

Sunday						

Months of the year:

January			April		
July					December

March | June | August | May | September | October | February | November

Steps for a doctor's visit:

I go visit the doctor.

I take my medicine and start to feel better.

The doctor examines me and asks me questions.

I go to the pharmacy and get my medicine.

The doctor writes me a prescription.

I call the doctor's office and make an appointment.

	I feel sick.
