MOUNT HERMON

In the winter, after a heavy snowfall, many people in Israel drive north to visit the Hermon. The temperature is often below zero there, so it's really cold. You can ski there, but if you don't feel like it, you can just play in the snow with your friends. Many people don't like to stay too long in the freezing weather. At the end of the day, they are really happy to come back home.
