affirmative- negative

Look at this photo of Caballito in 1870. How many mistakes can you find?

How many mistakes are there in the picture?

Ted is talking to his great-grandpa. Read what Ted says and write down great-grandpa's corrections. Begin all your sentences with "No! In the past people didn't have...". For the second part of the sentence, use the information in the word bank:

~~(listen) to the radio~~ - (travel) by carriages – (wash) by hand
(cook) over fires – (use) candles – (talk) face to face

Ted: In the past, people **had** TV sets!

Great-grandpa: No! In the past people **didn't have** TV sets.
They listen**ed** to the radio.

T: In the past, people **travelled** by car!

Gg: No! In the past people **didn't have** .

They

T: In the past people **had** washing machines!

Gg: No! In the past people **didn't have** .

They

T: In the past, people **cooked** in cookers!

Gg:

T: In the past, people **had** electricity!

Gg:

T: In the past, people **used** telephones!
Gg:
