SUBJECT: *ACCIDENT BUT I'M OKAY* 2020 11 09 9:15 p.m.

FROM: Janet White janet.white@outlook.net

TO: Joe White joseph.white@gmail.com

Just wanted to tell you that I had an accident on Friday. I was driving on the 401 when suddenly an SUV hit me on the front passenger door. I'm okay, just a little shaken up.

My jeep has a lot of damage, so the insurance is paying for body work. The insurance also gave me a rental for this week.

I called Mom yesterday but now she is very worried about me. If you talk with her, please tell her again that I'm okay. Can't wait to see you, Sue, and my darling niece again.

Love, Janet
