Tyler's New Hobbies

Tyler's family had a big TV. Tyler liked to watch TV for many hours every day after school. His mother often said, "Go to your room and do your homework." Tyler didn't like to do his homework, so his mother was often angry.

Last September, the TV broke. Tyler was very sad. He said to his parents, "I want a new TV." Tyler's father said, "Maybe we can get a new one for Christmas."

After that, Tyler couldn't watch TV. So, he usually did his homework when he got home from school. Sometimes, he read books from the library. When the weather was nice, Tyler played soccer in the park with his friends. After dinner, he listened to the radio and talked with his parents.

On Christmas morning, Tyler and his parents opened some presents. One of the presents was a new TV. Tyler was happy because he could watch TV again, but he enjoys his new hobbies, too.
