In many countries, the roles of men and women doing household chores are changing.

Take Josep as an example. He lives in Spain. Now his wife works, so Josep [1]*do* _____ more household chores than before. His wife, Maria, used to do all the cleaning, mopping, sweeping, washing, and ironing clothes as well as dusting. However, now Josep [2]*wash* _____ and [3]*iron* _____ the clothes. At the weekend, he [4]*help* _____ out in the kitchen as well. He [5]*clean* _____ the sink, stove, and [6]*wash* _____ the dishes. Josep doesn't [7]*clean* _____ the floors. When Maria has free time, she [8]*vacuum* _____ and mops the floors as well as [9]*make* _____ the beds. She [10]*fix* _____ things around the house too.
