

# The Diary of a Young Girl

Anne Frank

- 1) Name three countries that fought against Germany.
  
- 2) Name one country on the Axis side besides Germany.
  
- 3) List five words connected to the Second World War.
  
- 4) Based on the given material "Fascism and Nazism", what was life like for Jewish people?
  
- 5) Put these sentences in the right order.

Anne decorated her room with poster of famous actors and actresses.

Margot got a letter to report for labor camp.

Edith left the room with tears in her eyes because Anne didn't want to say her prayers with her.

Anne said goodbye to Moortje, her cat. Her neighbours were going to look after her.

Anne received great results in her exam, like Margot did.

Mr. van Daan has sold his wife's best winter coat and she wanted to keep the money for herself.

They heard an awful noise at their bookcase door, someone was pushing and pulling it but it was Mr. Kleiman.

06) Draw lines to connect the words on the left and the right to make correct sentences.

- |                      |                              |
|----------------------|------------------------------|
| a) Dutch Christians  | enter Naples.                |
| b) Peter             | gets some eggs as a present. |
| c) Anne              | has a stomach operation.     |
| d) Mr. Dussel        | takes over from Mussolini.   |
| e) Burglars          | are sent to Germany.         |
| f) The King of Italy | finds rats in the attic.     |
| g) The British       | makes her mother unhappy.    |
| h) Mr. Kleiman       | break into the warehouse.    |

07) Choose whether the following statements are true (T) or false (F)

- Anne teaches Peter how to dance.
- Mr. Dussel is a dentist, fleeing the Nazis.
- The diary has been written in Germany.
- Germans descended from the Aryan race.
- The hiding place in the building where Mr. Frank used to work.
- Everyone in the Annexe has their own room.
- They always had dinner at 9 p.m.

8) Grab and drop the adjectives which best suits the people living in the Annexe.
