VIII. Read the advertisement for a special trip. Are the sentences true (*T*) or false (*F*)?

CHALLENGE HOLIDAYS

Travel and make money for your favourite project!

We all like travelling to new places and seeing new things, but would you like a real adventure? Have you ever thought of going on a completely different kind of holiday? Would you like to travel somewhere new to do something really hard – like climbing a mountain or cycling a long distance? And make money for your favourite project at the same time? Yes, it's possible!

Do you have a favourite project or charity – like giving money to help ill children, or to help poor people in other countries? With our holidays, you can earn extra money for your project. All you have to do is choose to do something really difficult and then get people to promise they will give you money if you do it!

First, choose which challenge you prefer. For example, you can walk up Mount Kilimanjaro in Africa, or cycle 100 kilometres round the Grand Canyon, or climb up the Andes to see ruins in Peru in South America.

When you have decided what to do, ask people you know to give you money if you complete the challenge you have chosen. When you come back from your trip, the money they give you will go to your favourite project. So you do something good, and you have an exciting time, too.

We promise we will give you a great experience – we have guides to show you what to do and where to go, and we will book all the hotels for you and arrange your food. You just have to do the challenge! This is what some of the students who have been on our holidays said:

'I've never had such an incredible experience! And I collected lots of money for my charity.' – Simon, UK

'It was exhausting and I lost my bags, but I'm doing it again this year!' – Maria, Spain

'All this month, I've been collecting all the money I was promised by my friends! The charity I support is really happy.' – Mustafa, Turkey
