Jack's SNACKS

by Kimberly Wilkins

***Jack's Snacks* is a new restaurant in Darton Shopping Centre. It's got delicious snacks for you.**

You can find a lot of fast food. There are burgers, club sandwiches and pizzas. But, at *Jack's Snacks* 'fast food' doesn't mean 'junk food'. All the food is very healthy.

There are a lot of juices too. Some juices are quite strange, like cherry and banana juice or tomato and carrot juice. My favourite is the apple and cherry juice!

There is always nice music at *Jack's Snacks* so it is popular with young people. It's a great place to eat a snack. You see, all the food is very tasty and it isn't expensive.

So, come to *Jack's Snacks* and have a healthy and delicious snack!
