Every time you feel like you cannot go on

That you're so alone
All you see is night

Don’t despair and never _____ hope
Cause Allah is always by your side
Insha Allah x3
Insya Allah you’ll find your way
Every time you commit one more . _____

And that it's way too late
You’re so confused, wrong _____ is full of shame

Turn to Allah
He's never far away
Put your trust in Him
Raise your hands and pray
Ooh ya Allah
Guide my steps, don't let me go astray
You're the only one who can show me the way
Show me the way
Show me the way
Show me the way
