Homework

Read the following descriptions and guess the dinosaur.

This dinosaur was one of the largest dinosaurs. It had a long neck to eat plants from tall trees. It ate plants so it was herviborous.

This dinosaur lived in United States. It had sharp teeth and short arms. It ate meat, so it was carnivorous. It could run very fast!

This dinosaur had plates on its back. It walked on four legs. It was herviborous. It was smaller than the Patagotitan.
