1. ***Fill the words in the song***

find	admire	side	notice

Aren't you something to _____, 'cause your shine is something like a mirror

And I can't help but _____, you reflect in this heart of mine

If you ever feel alone and the glare makes me hard to _____

Just know that I'm always parallel on the other _____

CHORUS 1

'Cause with your hand in my hand and a **rocket / pocket** full of soul

I can tell you there's no **place / face** we couldn't go

Just put your hand on the **grass / glass**, I'm here trying to pull you through

You just gotta be **strong / wrong**

CHORUS 2

'Cause I don't wanna lose you now

I'm looking **fight / right** at the other half of me

The vacancy that sat in my **heart / head**

Is a space that now you **old / hold**

Show me how to **fly / fight** for now

And I'll tell you, baby, it was easy

Coming back into you **once / one** I figured it out

You were right here all **wrong / along**

It's like you're my mirror

My mirror **staring / starting** back at me

I couldn't get any **digger / bigger**

With anyone else beside of me

And now it's **clear / near** as this promise

That we're making two **receptions / reflections** into one

'Cause it's like you're my mirror

My mirror **staring / starting** back at me, **staring / starting** back at me
