SZA– Kill Bill

I'm still a fan even though I was salty
Hate to see you with some other broad, know you happy
Hate to see you happy if I'm not the one driving

I'm so ----------, I'm so mature
I'm so mature, I got me a therapist to tell me there's other men
I don't want none, I just want you
If I can't have you, no one should
I might

I --------- kill my ex, not the best idea
His new girlfriend's next, how'd I get here?
I might kill my ex, I still love him ----------
Rather be in jail than alone

I get the sense that it's a lost cause
I get the sense that you might really love her
The text gon' be evidence, this text is evidence
I tried to ration with you, no murders, no crimes of passion, but damn

You was ----- --- --------
You was at the farmer's market with your perfect peach
Now I'm in amazement, playing on my patience
Now you laying face-down, got me singing over a beat

I'm so mature, I'm so mature
I'm so mature, I got me a therapist to tell me there's other men
I don't want none, I just want you
If I can't have you, no one will
(I might)

I might kill my ex, not the best idea
His new girlfriend's next, how'd I get here?
I might kill my ex, I still love him though
Rather be in jail than alone

I did it all for ------- (love)
I did it all on no drugs (drugs)
I did all of this --------
I did it all for us, oh

I did it all for love (love)
I did it all of this on no drugs (drugs)
I did all of this sober
Don't you know I did it all for us? (I'll kill your ass tonight)
