Term 3 Worksheet II

Tenses: In grammar the word **Tenses** refers to the **Time** when something happens.

When things happen at different times we change the verb to indicate when something happened like the word "eat" being changed into the word "ate".

There are Four basic kinds of Tenses:

The Simple Tense: Used for everyday occurrences

The Progressive Tense: Used for a process that takes a while

The Perfect Tense: Used when one thing happens before another

The Perfect Progressive Tense: Used when one process happens before another

Each Tense has three Variations **Past, Future and Present.**

The Past Progressive Tense:

Exam Question 1: When do we use the Simple Past?

Exam Answer 1: When two things were happening at the same time or, when something that happened in the past took a while to complete.

Example: While you were eating lunch, I was reading a book.

Exam Question 2: What happens to the verb in the Past Progressive Tense?

Exam Answer 2: The past tense form of the verb *to be* is placed in front of the verb and the present participle: "*-ing"* is added to the end of the verb.

Examples: "Eat" becomes "was/were eating", Walk becomes "was/were Walking", "Drink" becomes "was/were drinking".

Time words: When/ While.
