DESCRIBING HUMAN BODY - COLOUR AND SHAPE

Popis lidského těla - barva a tvar

1. When we talk about human body we can use different types of adjectives. Mostly we mention colours and shape (colour of our eyes and hair, shape of hair etc.).

When we talk about hair (vlasy) and eyes (oči) in Czech language what letter usually the adjective to describe it ends with? Do you remember it from the last lesson? Choose the correct option.

We say for example: *čern_ vlasy, šediv_ vlasy, hněd_ vlasy, kudrnat_ vlasy*
modr_ oči, zelen_ oči, hněd_ oči, modrozelen_ oči
