Subject: Problems with sis

Hello Kelly,

How are you? I miss you so much. I haven't had anyone to talk to about my problems since you left. At the moment I've got a serious problem and need your help.

It's about my sister Ellen. Last week I took her camera without asking and I lost it. I haven't told her yet, but she's going to find out soon. You see, she's going to Egypt next week and she's going to need it. What should I do? If I tell her, she'll get really angry. And you know how Ellen is when she's upset. She'll never let me borrow any of her things again. Unfortunately, there's more.

Next weekend, there's a big party and I don't want to miss it. The problem is I haven't got anything cool to wear. So, I was thinking of borrowing something from Ellen. But if she finds out about the camera, I can forget it. If I had the money, I'd buy her a new camera. What would you do if you were me?

Write back as soon as possible.

Yours,
Brenda
