10. Elbow grease
11. Dreariest

A. To increase the volume or intensity of something.

B. A sequence of pictures, video clips, or music pieces edited together to form a continuous piece; often used in filmmaking to show the passage of time.

C. Tedious, menial, and exhausting work.

D. The act of staying longer than is necessary or beyond the expected time.

E. Highly desired or envied, often in a way that involves longing or yearning.

F. The practice of keeping multiple objects in motion in the air at the same time by alternately tossing and catching them.

G. A colloquial term in music, especially in electronic dance music genres, referring to a moment when the music builds up and then suddenly a bass-heavy beat drops.

H. To physically distribute or allocate something into portions or shares.

I. The gloomiest or most depressing.

J. Small mechanical or electronic devices or tools, especially ingenious or novel ones.

K. Physical effort or hard work, especially in the context of manual labor.
