VOCABULARY PRACTICE

Let's listen to the recording again and fill in blanks below

And, yes, **1** can be **2** from any conference organiser or at the front desk anytime between now and the start of the **3** .

I suggest you come by tomorrow evening to pick up the tickets since the conference hall only **4** 800 people. That way, you can also get your journey **5** ahead of time and be sure not to miss this truly **6** conference. If you want cocktails, however, I'm sorry. You'll have to pay for those at the **7** price.

Oh my goodness! Speaking of paying, I see I forgot to tell you a couple of things. The first is about lunch. The **8** for the lunch will be $15.00 for all you **9** . If you have **10** with you, the cost is $25.00 for the general public, and $6.50 for children under the age of 10. That's fifteen dollars each, not total for everyone! Another item is about the lunch menu. I very much **11** you to try the fish. I mean, look at the restaurant's name: Sea View. As the name suggests, it is a famous seafood restaurant. The chef is a Basque from Spain, and he really gets quite put out when people ignore his fish **12** for burgers or barbecue. If fish isn't your thing though, try the steak – he makes an **13** Filet mignon topped with bleu cheese and mushrooms.

Finally, if you'd like to buy a ticket, you can have both lunch and the **14** beer for $35.00.I should have **15** that earlier, but I am a bit **16** . Maybe I should avoid the beer after the conference, eh?

Well, I've said my bit. Are there any questions?
