The birthday song

Let's party! Let's party!
Let's party and have fun!
If your birthday is in January,
Shout your name out everyone!

We went to a birthday party.
We gave birthday cards.
We said *Happy Birthday*
And partied very hard!
We had birthday cake.
We had milkshakes too.
Before we went and said goodbye,
There was lots for us to do.

Let's party! Let's party!
Let's party and have fun!
If your birthday is in February,
Shout your name out everyone!
