Part 5

▸ 7 questions ◂

Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

A Bear in the House!

Last Saturday afternoon, Katy went to her best friend's birthday party. Her best friend's house wasn't far away, so after the party Katy walked home alone. It was a cold foggy evening and her street was empty.

When she got home, she opened the door with her key and turned on the light. Suddenly, she saw a huge bear looking at her! It had a piece of cake in its hands and a biscuit in its mouth!

She thought that the bear wanted to eat her, so she quickly ran out of the house. 'Help,' she shouted, but no-one was around!

Katy ran to the apple tree in the garden and climbed up. The bear followed her and sat under the tree eating the cake. Then, suddenly, the bear took off its head! It was Katy's brother Harry in a costume!

Harry couldn't stop laughing, but Katy was really angry. 'When I climb down from this tree, I'm going to put that costume in the bin!' she shouted. 'You have to catch me first!' said Harry. Then, he ran into the house and closed the door behind him. Katy put her hands in her pockets – her keys were still in the living room!
