

WRITING ABOUT ROUTINES

Activity: Write a paragraph about a typical day during this quarantine. (Use the text as an example and use the expressions we are learning)

MY ROUTINE DURING QUARANTINE

Hi, I'm Marina and this is my current routine in quarantine.

In the morning I get up at around 9:30.

I go to the bathroom, wash my face and hands and brush my teeth. Then, I open the windows to air the room, get

dressed and go to the kitchen. I make myself a coffee and some toasts. I put music on my mobile phone and have breakfast and read the messages. Then, I turn on my computer and do school homework from 10:30 to 12 o'clock. After this I usually help my mother

make lunch. We always watch the news while we have lunch. It's really worrying what's happening in the world. After lunch I have to do more school homework. When I finish homework at around 5 o'clock I drink mate and eat cookies with my mum in our garden.

After that I help my mum with the housework (tidy my bedroom and sweep the floor)

Later I watch "Atypical" or Stranger Things on Netflix and I try to do some exercise to keep fit. After exercising I have a shower and go to my bedroom. I use my mobile phone to chat with friends and watch videos. At around 9, my mother and I have dinner.

Finally, I brush my teeth, put my pajamas on and go to bed.

What about you?

Hello! My name is ...
