Video: Assumptions we make about one another - https://youtu.be/iDcWB3seS0w

Note: Our perspective often leads us to make assumptions about other people.

Learn/ review the vocabulary. **Watch** the video & **take notes** in the chart – what does the child assume about his/her partner?

vocabulary:			
to assume	assumption, to make an assumption		to think
to guess	to predict	correct, incorrect	correctly, incorrectly

Discuss the questions with a partner, your group, or your whole class:

- How accurate are the guesses about the other child?
- What do you think makes the child assume (guess) what they do?
- How do the children react to each other when they SEE each other?
- How do the children react to being correct in their assumption? Incorrect?
