Matton City Chocolate Museum and Factory

A great day out for all the family!

Do you like chocolate?
Then come and find out more about it, taste chocolate and have fun!

The museum
Did you know that chocolate is made from the cocoa bean? The Spanish took it to Europe from Central America and Mexico in the 16th century. Learn more about the history of chocolate on our exciting interactive museum tour!

The factory
Visit our hi-tech factory, see how chocolate is produced and taste it! The factory walls are transparent – they are made of strong glass!

Museum lesson
Learn how our amazing Matton chocolates are made and make some to take home.

Gift shop
If you're looking for a special present, you'll find it in our chocolate gift shop.

Tickets cost £8 for adults and £4 for children under 14.

2 Read the article and circle the correct answer a, b or c.

That was lucky!

Alexander Graham Bell was the man who invented the telephone in 1876. He was a very intelligent scientist and an engineer. But sometimes luck, or bad luck, can be important when people [0]_____ things. Let's look at how the selfie stick, the sandwich, and potato crisps were invented.

The first selfie stick was [1]_____ to take a photo in 1925. But not many people had cameras then, so they didn't think it was important. What bad luck for the person who had this great idea! More selfie sticks [2]_____ made in the 20th century but it was only in 2005 that a selfie stick was [3]_____ that lots of people liked. Its name was the 'Quik Pod' and it was invented by the Canadian Wayne Fromm.

The Englishman John Montagu, the fourth Earl of Sandwich, gave his name to the sandwich. The story tells us that he ordered some meat between two slices of bread while he was [4]_____ cards in 1762. After that the snack became popular and [5]_____ known as a 'sandwich'.

Finally, what about potato crisps? The first recipe was [6]_____ by the Englishman William Kitchiner in 1822. But later in that century George Crum, an American cook, made crisps as we know them today. People say he invented them to keep a customer happy. That was lucky too!

0	a produce	b paint	(c) invent
1	(a) used	b using	c use
2	a was	(b) were	c are
3	a composed	(b) designed	c done
4	a played	b play	(c) playing
5	(a) was	b were	c are
6	a discovered	(b) created	c creates
