Studies have proven that school club activities are important to both the physical and mental development of children. In sports clubs, kids play sports regularly, and under the guidance of their

LIVEWORKSHEETS

coaches they improve their physical health. Moreover, children mix with friends from different classes in a new environment where they can learn, share, and appreciate each other. Also, when they work with new friends in a club, they will become more confident and independent. Furthermore, when children work together in a team to deal with a problem or to do tasks, they have to work together to think about what they should do to complete the task. They, therefore, can learn research and leadership skills. Many kids also find good role models in clubs, such as coaches or group leaders.

_____ 40. Home activities are important to both the physical and mental development of children.

_____ 41. Playing sports regularly helps kids improve their physical health.

_____ 42. When they work with new friends in a club, they will become less confident and independent.
