ODD AND EVEN NUMBERS

Remember that odd numbers end in 1, 3, 5, 7, and 9.
Even numbers end in 2, 4, 6, 8, and 0.

Add the number and write the answer. Then, click the menu on the right to choose wether the answer is odd or even.

643 +132 775	223 +147	361 +749	946 +621
Odd			

Drag the numbers and drop them in the correct box.

8,455	9,039	3,786	8,414
4,182	2,950	1,473	9,031

Even	Odd
