Read the passage and write True or False.

New York City is a mix of cultures, with people from over 200 countries represented within its diverse population. This remarkable diversity is evident in the city's unique neighborhoods, each with its own distinct character and traditions. Little Italy offers a taste of Italy, which transports you to a world of authentic restaurants and charming bakeries lining the streets. The aromas of freshly baked bread and hot sauces fill the air, creating a sensory experience that evokes the heart of Italy. In contrast, bustling Chinatown transports you to another world, with its markets overflowing with exotic spices and delicious street food. Here, you can experience the rich cultural heritage of China through its sights, sounds, and flavors. Harlem, known as a center of African American culture, boasts a rich history and continues to be a hub for music and artistic expression. This incredible cultural richness contributes to the city's dynamic energy and makes New York City a captivating place to explore, offering a unique blend of cultures and experiences that leave a lasting impression on visitors and residents.
