Treat People With Kindness

Harry Styles

Maybe _____

Find a place to feel good

And _____ people with kindness

Find a place to feel good

I got a good feeling

_____ just _____ it all in

Floating up and _____

Droppin' into the deep end

And if _____ here long enough

They'll sing a song for us (ah-ah-ah-ah)

And we'll belong

Maybe _____

Find a place to feel good

And _____ people with kindness

Find a place to feel good

_____ second chances

I don't need all the answers

_____ good in my skin

I just keep on _____

And if _____ here long enough

We'll see it's all for us

And we'll belong

Maybe _____

Find a place to feel good

And _____ people with kindness

Find a place to feel good

And it's just another day (and it's just another day)

And if our friends all pass away (ah-ah, ah-ah)

It's okay (it's okay, it's okay, it's okay)

It's okay, it's okay, yeah!

Hey!

Here we go now

Maybe _____

Find a place to feel good

And _____ people with kindness

Find a place to feel good

All we ever want is automatic all the time

All we ever want is auto all of the time

All we ever want is automatic all the time

All we ever want is auto all of the time

Maybe _____ (all together now!)

(One more time!)

Find a place to feel good (oh yeah!)

And _____ people with kindness (just a little bit of kindness)

Find a place to feel good (ow!)
