Sequence of events

Drag the following actions to the right circle in order to arrange the sequence of events of the story "The Lion and the Mouse".

One day the Lion went hunting and gets caught in a net.

The Mouse finds the Lion and chews the net to free the Lion.

The Lion is asleep, a Mouse runs across the Lion's nose and the Mouse wakes him up.

The Lion catches the Mouse, but it promises to help the Lion someday if he would let him go, so the Lion lets the Mouse go.
