Halloween

My favorite holiday is Halloween. I like Halloween because it is fun and spooky.

Every year, I dress up in a costume. Sometimes I am a ghost, and sometimes I am a superhero. My friends and I go trick-or-treating. We knock on doors and say, "Trick or treat!" People give us candy.

At home, we carve pumpkins. We make funny faces on them. We also watch scary movies and tell ghost stories.

Halloween is special because I can be anyone I want to be. It is a night of adventure and excitement.
