1 Choose the best title a–c for each table 1–3.

a Climate change over 50 years
b Transport use by type
c Comparison of housing by area

2 Complete each table with the information below.

£125,000 £2.20 18.2° 25% 3,567 612 mm 75%
good terraced houses

1

District	Typical style	Average price	Transport
Aberton	bungalows	£180,000	1 .....
Hunborough	2	£225,000	poor
Millview	flats	3	excellent

2

	1955	2005
Average temperature	17.4°	4 .....
Annual rainfall	5	652 mm

3

	Bus	Train	Bicycle
Price of fare	£1.50	7	N/A
Total journeys	6	2504	962
Male passengers	34%	62%	8 .....
Female	66%	38%	9 .....

Technique

In table completion tasks, pay special attention to the rubric, the headings, and the numbering. Use this information to predict the type of information which is missing.

LIVEWORKSHEETS

The table below is taken from a table completion task. Read the table contents and then answer questions a–d. Write NO MORE THAN TWO WORDS AND/OR A NUMBER for each answer.

a What is the topic of the table?
b How many products are discussed?
c How many aspects of each product are considered?
d Which answers may be numbers?

1.2 Listen to the recording and complete the gaps in the table. Write NO MORE THAN TWO WORDS AND/OR A NUMBER for each answer.

	Price now	Main advantage	Second advantage	Length of guarantee	Main disadvantage
Analogue radio	Example: £29.99	Cheap	Excellent **3** ..... with expensive systems	**4**	Service will finish at some time
Digital radio	**1** £	**2** Lots of	Little or no interference	2 years	**5** ..... is short
