COOL JOBS

Some people love to plan weddings. They love to help people get married. These people are called wedding planners. They help couples plan their big day. They can help with things like finding a place to get married, choosing food, and picking out flowers. Wedding planners can also help couples find a place to go on their honeymoon. They can help them book flights and hotels. Another cool job is being a tour guide. Tour guides show people around interesting places. They can take people to parks, and historical sites. Tour guides tell people about the places they visit. They can tell stories about the history of the place. They can also tell people about the animals and plants that live there. Being a wedding planner or a tour guide is a lot of fun. You get to meet new people and see new places. You also get to help people have a great time.
