What is a sport school?

At a sport school there are school subjects like Maths, English, Science and Geography, but every day the students also do sports. At the Glasgow School there is badminton, hockey, swimming, athletics or gymnastics to choose from, so it's never boring!

How many students are there?

There are 1,100 students at the school and a lot of them are very good athletes. Every year they win competitions for their school and for Scotland.

What's next?

Many students from the Glasgow School become athletes. They take part in important competitions like the Commonwealth Games and the Youth Olympics. Student Michael Jamieson got a silver medal for swimming the 200 metres at the London 2012 Olympics!
