TASK 1

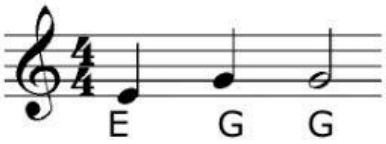
LINES – Elephants Go Bonkers Doing Flips

SPACES – F A C E

Select the letter names of the following notes from the drop down menu.

Each BAR of notes spell a word.

EXAMPLE:



It makes no difference if the note-head is filled in, like the first two in this example, or empty like the third note in the example.

The Note-Stem Rule

- if the note-head is ABOVE the 3rd line, the tail goes DOWN.
- if the note-head is BELOW the 3rd line, the tail goes UP.
- if the note-head is ON the 3rd line, the tail goes either way depending on which other notes are in the bar
